BAGUMBAYAN, DINAGAT, DINAGAT, ISLAND, CARAGA 8412

SUMMARY

Disciplined IT Student and TESDA CSS NC2 Passer with mastery of core web technologies (PHP, MySQL, HTML, CSS, JavaScript) and local server management (XAMPP). Proven ability to build full-stack web applications, including Inventory Systems and POS Systems. A leader with a strong foundation in both front-end responsiveness and back-end database logic, seeking a developer role where I can contribute code and continue mastering modern frameworks.
